Lossiemouth Community Development Trust (LCDT) was formed to represent and promote plans for residents and tourism in Lossiemouth by adopting a joint community approach towards improving facilities for the benefit of everyone in the community

No community group such as LCDT can achieve our goals without the help and support of everyone in Lossiemouth. This is your town - all of us are rightly proud to boast we live in such a beautiful part of the country. With that joy comes a responsibility. You can show your support by becoming a member or, if you have time to spare, and wish to be involved in one of our Projects, simply get in touch.

Existing members please also complete this form, which has been designed to meet the latest GDPR (General Data protection Regulation) requirements.
